

# Cowbridge School Newsletter

## This week at Cowbridge School ...

We hope you had a restful and enjoyable half-term break. It was wonderful to welcome students back for the second half of the Autumn Term which brings with it opportunities for further learning, as well as some highlights from the extracurricular calendar, including the School Production taking place in December.

A significant highlight of the week was our Year 11 into Year 12 Information Evening. Thank you to all prospective students and their parents who attended. The turnout was excellent, demonstrating the strong interest in the diverse range of subjects and opportunities available in our Sixth Form. It was a pleasure for our current students and staff to share their insights and passion for the subjects, and to help future students see the vibrant and supportive environment we offer as they prepare for their next steps beyond compulsory education.

We were also incredibly proud of

the students who participated in the Rotary Young Musicians (Instrumental) Competition. This event is a fantastic platform for young musicians to showcase their dedication and talent and you can read more about it by clicking [here](#).

As we move forward into the term, may we take this opportunity to politely request that parents support school by reminding your child/ren that once they arrive on site - particularly by bus - they are not to then leave the school site. We have received reports that pupils are exiting the site and making their way into Cowbridge. This has resulted in pupils arriving late to registration which begins at 8.30am. Cowbridge School Sixth Form students are the only pupils who are permitted to leave the school site during the school day, at appropriate times.

*Have a great weekend!*
