

Cowbridge School Newsletter

This week at Cowbridge School ...

The highlight of the week has undoubtedly been our series of Lower School Christmas Concerts. It was a truly heart-warming experience to welcome parents and families to witness the talent and enthusiasm of our younger pupils. Our Year 1 and 2 students kicked off the week with a fantastic performance on Tuesday, followed by a delightful show from our Reception Class on Wednesday. The week culminated with the debut performance of our youngest learners, the Nursery Class, on Friday. We are incredibly proud of all the children and the staff who worked so hard to make these events so memorable. Seeing the children beam with pride as they performed is a testament to the vibrant and nurturing environment we strive to create.

Beyond the stage, our student shave demonstrated a wonderful commitment to charitable endeavour. We are

thrilled to report on the success of the recent Interact Quiz Night. This event not only provided an evening of challenging fun but also raised significant funds for Maggie's Cancer Charity, a cause close to the hearts of many in our community. Congratulations to all the participants and the Interact team for organising such a successful and meaningful event.

Finally, the spirit of dramatic performance is very much alive across the school as rehearsals intensify for next week's highly anticipated school production, Return to the Forbidden Planet. The dedication of the cast and crew is palpable, and we are eagerly looking forward to what promises to be an out-of-this-world show!

Have a great weekend!
