

Cowbridge Lower School Newsletter

18.12.25

And so to our final week of 2025.....ending just the way we started-
action packed and making the most of all our learning opportunities.

R-Y2 started the week off with a musical treat from the big school.
It was a privilege to be invited to be part of the audience on
Monday morning to watch "Return to the Forbidden Planet". Such an
inspiration to see Cowbridge School's finest acting and musical
talents on display and to think one day that could be us!

On Tuesday Year 1 and Year 2 visited Holy Cross church to deliver
our stars. Reverend Ross was there to greet them and take delivery
of the stars. They will be on display in the church from now until
Christmas. Please do feel free to drop in and see them.

On Wednesday we all looked fabulous in our party clothes and had
lots of festive fun dancing with our friends at our Christmas party.
We even had a visit from a VIP..... Father Christmas' chief elf! He
told us just how busy things were at the North Pole-building, making
and wrapping presents. He even gave us a chocolatey treat... we
must have been very good!

A huge "thank you" for your continued support this year and
wishing you magical Christmas with your friends and
families.....here's hoping everyone makes it onto the good list!!!

Nadolig Llawn a Blwyddyn Newydd Dda!
