

Cowbridge Lower School Newsletter

23.1.26

Love has most definitely been all around Lower School this week as we have shown commitment to our value of engagement and prepared to celebrate Dydd Santes Dwynwen on Sunday.....

Nursery have been recognising just how important we are to each other and discussing what it means to love each other. They have used Chatterpix to record a message to someone they love as well as hand making their very own gift for someone very special. They also continued their winter observations and went on a welly-walk identifying things they love about the outdoors.

Reception have filled their classroom with lovethey set themselves some independent challenges of making "I love you" cards, painting portraits of Santes Dwynwen and making love hearts using anything and everything they could find. As well as this, they have discussed and recorded who they love and what they love doing with them, taken selfies of friends they love, made love spoons and measured each other with love hearts. They also managed to squeeze in some learning about capacity!

Year 1 have created their very own class heart and written about the friends they love. They also received a special letter and gift from the woodland fairies.... a book called "Through the fairy door". This gave them the opportunity to practise their storytelling skills by re-telling the introduction to the book. They have also been for a woodland wander in our own woodland and have been learning to identify some of the trees in our school grounds. Place value and estimating have also been the agenda as they consolidate comparing and ordering numbers.

Year 2 have been demonstrating their love for our Nursery pupils this week by setting themselves the mission of making fairy tale story sacks to help them with their learning all about fairy tales- such an exceptionally kind action inspired by Y9 and Y11 pupils who did the same for Reception. In order to get them just right they carried out their own research this week finding out exactly just what it is Nursery love about a fairy tale. Can't wait to see them
Year 2!

Wishing all our families and friends a Sunday filled with love ...happy Dydd Santes Dwynwen.
