## This week at Cowbridge School ...

It has been an incredibly vibrant and purposeful week here at Cowbridge School, defined by a wonderful blend of cultural celebration and forward-thinking academic planning. As we move through the Spring Term, it is heartening to see our students engaging so deeply with both their heritage and their future aspirations.

Our Week of Welsh Culture has been a resounding success, filling the corridors with music, language, and a palpable sense of pride. The highlight for many was undoubtedly our Noson Lawen concert on Thursday evening. It was a privilege to witness the immense talent of our pupils as they took to the stage; the evening was a true showcase of the "merry night" tradition, brought to life with contemporary energy. This spirit of celebration continued into today with our school Eisteddfod. The level of participation across Lower School, Year 7 and Year 8 and whether through poetry, song

or art, our students demonstrated a profound respect for Welsh traditions and the creative arts.

In addition to our cultural festivities, we reached a significant milestone for our younger students with the Year 8 into Year 9 Broadening Horizons Evening. This transition marks a pivotal moment in a student's journey as they begin to shape their academic pathway. We were delighted to see such a high turnout, and we would like to thank all who attended for your interest, and enthusiasm for the next steps in your child's education. The evening provided a valuable platform for discussing the diverse opportunities available at Cowbridge School, and we look forward to supporting Year 8 as they make these exciting choices.

*Have a lovely weekend*
