

Cowbridge School Newsletter

This week at Cowbridge School ...

It was a privilege this week to see our Sixth Form students venture to Cardiff to see the BBC National Orchestra of Wales in rehearsal. Opportunities like these are vital for allowing students to engage with world-class artistry and diverse cultural perspectives outside the traditional academic environment. Seeing our senior students represent the school with such maturity and appreciation for the arts was a highlight for the staff involved.

In addition to our cultural pursuits, we are continuing our focus on student success through the second instalment of our 'Attendance Matters' series: Teamwork Makes the Dream Work. Drawing inspiration from the recent Six Nations finale, we are highlighting how victory is built through the "invisible" work of being present every single day. Click on the link on the right to read more about the correlation between attendance and navigating group dynamics.

Looking ahead, we are committed

to maintaining the high standards of our school environment. To that end, we would like to draw your attention to the recent correspondence regarding school uniform. It is essential that all parents and carers take the time to read this information thoroughly, as it contains important updates for the period following the Easter break. Ensuring our students are dressed in accordance with our uniform policy fosters a sense of belonging and pride in our school community, and we appreciate your continued support in upholding these standards. In case you have missed it, a link to the correspondence can be found on the right.

Finally, don't forget that Monday, 23 March is an INSET Day so we will see all students back in school on Tuesday.

*Have a lovely
weekend*
