

Cowbridge Lower School Newsletter

20.3.26

We have revisited our value of courage this week as we have thought about St. Patrick and the courage and determination he showed during his life and experiences.

This has led us to thinking about our world today and how we need to show courage and determination to make sure it is looked after, not only for today but for future generations to come.

We all took part in Global Recycling Day on Wednesday 18th where we learnt about the importance of recycling in preserving natural resources and combating climate change. Recycling Officers from the Vale of Glamorgan visited us and told us more about the importance of recycling. They also brought the Romaquipp recycling truck and Reception, Year 1 and Year 2 had the opportunity to explore the truck in more detail and ask questions.

On Thursday, Year 1 and Year 2 continued their STEM celebrations with a visit from Kier Construction group. They learnt about the importance of The Carbon Cycle and were set the challenge of building their own dam. A fun and exciting way to learn about a very important sustainability concept. A huge "thank you" to Jess from Kier for taking the time to visit us.

Reverend Ross invited Year 1 and Year 2 to church on Wednesday, where they enjoyed listening to the Easter story. They were also able to view some Easter items and Reverend Ross explained why these are so important and significant to Christians...diolch Reverend Ross.

Year 1 have also been on adventures of their own this week as they ventured off to Cardiff Bay. This was an invaluable experience as part of their current topic and as well as spotting famous landmarks they received a very special invite into The Senedd....how lucky!

Friday saw us wearing our craziest socks as we celebrated World Down Syndrome Day - a very special day for our school community to champion inclusion and diversity.

It has been wonderful to welcome our parents to our Parent's Consultations this week where we were able to share and celebrate your child's work and progress with you. We are incredibly proud of all their creativity, curiosity, confidence and self belief which allows them to thrive and achieve in all that they do in Cowbridge School.

We look forward to welcoming you all again next week to our Easter Eggstravaganzas.
