

Cowbridge School Newsletter

This week at Cowbridge School ...

Welcome back! We hope you all enjoyed a restful and rejuvenating Easter break with your families. It has been a pleasure to witness the energy and enthusiasm our students have brought back to the corridors this week.

As we embark on the Summer Term, we do so with a clear focus and a sense of collective purpose. This is traditionally a very busy and significant term in the school calendar. For many of our students, the coming weeks are a crucial period of preparation as they approach their final examinations. Whether it is the first taste of formal, external examinations for our Year 10 students or the culmination of years of hard work for our Year 11 and Sixth Form cohorts, we are committed to providing the academic and pastoral support necessary for every pupil to achieve their personal best. We encourage all students to make the most of the revision sessions and resources available as they enter this final stretch.

If you are interested in celebrating all things creative, please follow the Art Department's Instagram account @cowbridge_art_department.

The page is regularly updated with fantastic work from pupils across all year groups, including Art and Design, Photography, and Graphics work. It's a

great way to see what's happening behind the scenes and to celebrate the creativity, imagination and skills that our pupils bring to every project.

Finally, we are absolutely delighted to share some wonderful news regarding our school community. Following our Estyn Inspection back in January, the official report has now been published. It is with great pride that we share these findings with you today. The report serves as a testament to the dedication of our staff, the hard work of our students, and the invaluable support we receive from you, the parents and carers. It highlights the many strengths of our school and reflects the vibrant, inclusive, and high-achieving environment we strive to maintain every day. Click on the link on the right to read the report.

We look forward to a productive and successful term ahead. Thank you for your continued partnership in making Cowbridge School such a remarkable place to learn.

Have a lovely weekend!
