

# Cowbridge Lower School Newsletter

27.3.26

This week, has seen a "spaggtacular" end to our spring term as we have considered our value of hope with Easter and new life celebrations.

Although only a 4 day week, our learning has forged ahead. We have been putting the finishing touches to our Easter crafts as well our spring term topics.

Year 2 finished their castle paintings, wrote "thank you" letters to Mrs. Ireland and have challenged themselves to make a protective case for an egg. They had a cracking time testing their inventions!

Year 1 have learnt about Grace Darling, nocturnal animals and refined their measuring skills.

Nursery and Reception welcomed a real-life farmer into their classroom, Mr. Govier. Ably assisted by Ralph and Ayda, they were treated to an extremely informative talk about life on a farm. It was very interesting to find out how crops are sown, harvested and then what happens after that. We learnt the names of different machinery and how the variety of animals provide us with food and other items such as wool.

Fascinating fact....did you know pigs can bark when communicating with each other?

Our new look Easter Eggstravaganza was a huge success and we hope you enjoyed it as much as we did. It was wonderful to see adults and children collaborating and communicating together to experience authentic, problem-solving learning in fun and creative ways.

We hope you enjoyed the delicious Easter treat baked by our wonderful Mrs. Beaton. Unfortunately, it will be our last treat from her before she moves onto pastures new. Mrs. Beaton has been an intrinsic and much valued part of Lower School ever since we opened, always making sure staff and pupils were well fed from first thing in the morning at breakfast club to our next important meal of the day at lunchtime. Her care, kindness, warm smile and delicious baking will be greatly missed. We are sad to see her leave but wish her much happiness on her next adventure. Good luck Mrs. Beaton we will miss you!

Thank you for all your continued support and wishing you all a wonderful Easter celebrating together.
