

Cowbridge School Newsletter

This week at Cowbridge School ...

As we reach the final day of this half-term, it has been wonderful to see our school community finishing the week on such a high note. Our students have continued to demonstrate their characteristic enthusiasm and dedication to learning, making the most of every opportunity both inside and outside the classroom.

A highlight of our week took place today, with a group of our Year 8 students embarking on an exciting trip to the world-renowned Hay Festival. This fantastic excursion provided our pupils with a wonderful opportunity to immerse themselves in literature, engage with inspiring authors, and spark their creative imaginations. It was a true pleasure to see them exploring the festival, and we are incredibly proud of how brilliantly they represented Cowbridge School during the event. Fostering a lifelong love for reading and culture is at the heart of what we do, and experiences like today are an invaluable part of that journey.

Looking ahead, we have finally

been blessed with some truly beautiful weather just in time for the holidays. As the sunshine breaks through, it feels like the perfect backdrop for a well-deserved break. We want to thank all of our families for your continued support, partnership, and engagement throughout this incredibly busy and productive half-term.

We wish all of our students, parents, and staff a thoroughly relaxing, safe, and lovely May half-term. We hope you all manage to get outside, enjoy the gorgeous sunshine, and spend some quality time together. We look forward to welcoming everyone back refreshed and ready for the final stretch of the academic year on Monday, 1 June 2026..

*Have a lovely
half term!*
