

Raising Awareness Action Plan

Our Goal - To help students learn more about environmental issues and encourage everyone to make eco-friendly choices.

Project	What to do	Who can help	How to measure
1. Bird Boxes and DT Eco Projects	<ul style="list-style-type: none"> ● Work with the DT department to make bird boxes and bat boxes. ● Encourage Year 7 and Year 8 students to take part as part of their DT projects. ● Install the boxes around the school grounds. 	<ul style="list-style-type: none"> ● DT Department ● Eco Committee ● Students 	<ul style="list-style-type: none"> ● More habitats for local wildlife. ● Increased student involvement in environmental projects.
2. Eco Poster Competition	<ul style="list-style-type: none"> ● Organise an eco-themed poster competition for Year 7 and Year 8. ● Ask students to create posters promoting environmentally friendly habits. ● Display the best posters around school. 	<ul style="list-style-type: none"> ● Heads of Year ● Form Tutors ● Eco Committee 	<ul style="list-style-type: none"> ● Increased awareness of environmental issues. ● More students talking about eco-friendly actions..

	<ul style="list-style-type: none"> • Offer a prize for the winning form. 		
3. Restart the Eco Blog	<ul style="list-style-type: none"> • Find out who currently manages the school eco blog. • Add regular updates about Eco Committee projects and events. • Share environmental tips and success stories. • Encourage students to contribute articles and ideas. 	<ul style="list-style-type: none"> • Eco Committee • Staff member responsible for the blog • Students 	<ul style="list-style-type: none"> • More students engaging with eco activities. • Increased awareness of ongoing projects.

Resources Needed

- Poster paper and art supplies
- Access to the school blog
- Materials for bird and bat boxes
- Display boards for competition entries

Timeline

Autumn Term

- Contact Heads of Year about the poster competition.
- Speak to the DT department about bird box projects.
- Find out who manages the eco blog.

Spring Term

- Launch the poster competition.
- Begin making bird boxes and bat boxes.
- Restart and update the blog regularly.

Summer Term

- Install bird boxes around the school.
 - Display winning posters.
 - Review the impact of the projects.
-

How We Will Measure Success

- Number of students taking part in competitions.
- Number of bird boxes installed.
- Increased engagement with the eco blog.
- Greater awareness of environmental issues across the school.
