

# Cowbridge School Newsletter

## This week at Cowbridge School ...

Our Careers Term is now fully underway for the Sixth Form, and it has been a privilege to see our oldest students engaging so maturely with their futures. Over the past few weeks, our classrooms have been transformed into hubs of aspiration as we welcome a wide range of guest speakers from various companies, organisations, and educational establishments. These experts provide invaluable insights, sparking brilliant questions and helping our students map out their next steps. Read more about this initiative by clicking the link on the right. Looking ahead, preparations are well underway for the Careers Insight Days to include our Year 10 students this July, ensuring they also benefit from this vital real-world inspiration.

In the immediate future, creativity is taking centre stage. We are all eagerly looking forward to the Expressive Arts

Exhibition next week (Tuesday, 23 June). Our students, supported by our dedicated staff, have been working tirelessly behind the scenes, and the upcoming showcase promises to be a spectacular celebration of their dedication, imagination, and artistic talent. It is always a highlight of the school year, and we cannot wait to share their incredible work with you. More information about this fantastic event can be found by clicking the link on the right.

Finally, a reminder that tomorrow (Friday, 19 June) is the final INSET Day of the academic year and school is closed to all students.

*Have a lovely weekend!*
