

Cowbridge Lower School Newsletter

3.7.26

As our academic year begins to draw to an end, we have re-capped on our previous value of resilience. Starting to look back on this school year has begun to help us recognise all of our wonderful achievements including things we have learnt, friends we have made, problems we have solved and new things we have tried. Like seeds, we have grown in many ways too and next year we will keep growing. With an open mind and positive thinking we can face these changes and continue on our journey with confidence.

In our classrooms.....

Nursery and Reception had a very special visitor this week....John from the RNLI. John spoke to us about how to stay safe at the beach, who to contact and what to do if we needed help. Very important life saving lessons. A huge thank you to John and the RNLI for carrying out this important work and endeavouring to keep us safe at the beach.

As well as these messages about safety, Nursery have considered other jobs that may be done at the beach, compared how school and beach are the same and different and different games they like to play at the beach.

Reception have continued on their pirate theme sorting pirate treasure into odds and evens, making their own pirate costumes and boats at any opportunity, shape hunting, making chalk paintings and writing postcards.

Year 1 have received more important alien updates from Alys and Alfred. Unfortunately, their spacecraft cannot be repaired so have asked pupils to design them a new craft and write a list of required materials. Year 1 will be certain to have some ingenious ideas to assist their alien acquaintances!

Year 2 have been researching and designing their own pirate flags. They also tasted sauerkraut to help them write a postcard as a crew member aboard Endeavour recording their experiences on their voyage.

A huge "diolch" to all our families who were able to come and support us on our annual Sports Day. Huge thanks also to our big school helpers who also volunteered to come and make it yet another fun and memorable occasion for everyone.
