

Cowbridge School Newsletter

This week at Cowbridge School ...

First, a massive congratulations to our students who took part in the Bronze Duke of Edinburgh expeditions this week. Navigating and trekking is a tough challenge at the best of times, but completing it in this week's hot conditions required an extra level of grit and perseverance. We are immensely proud of how well they supported one another, kept their spirits high, and demonstrated outstanding leadership skills out in the field. They are a true credit to us all.

In addition to our outdoor adventurers, the school community came together for our highly anticipated Sports Day for Year 7 to Year 9. It was wonderful to see so many students participating with such energy, cheering on their peers, and showcasing their sporting talents. From track events to field competitions, the atmosphere was electric, filled with healthy competition and superb sportsmanship. Thank you to the PE department for organising such a great event, and to all the staff who made it a memorable day.

In the classroom, some of our Year 12 students took part in a Writing Workshop organised and run by the Royal Literary Fund. This was a wonderful opportunity for our Sixth Formers to develop all kinds of writing skills, helping them refine their academic voice and express their ideas with greater clarity and confidence as they look toward future studies. Furthermore, out of the classroom, our Year 12 Geographers spent two immersive days mastering the crucial fieldwork element of their A-Level course, skillfully applying their theoretical knowledge to real-world environments.
