4.9.26

A very warm welcome to the start of the new school year.

It has been wonderful to see everyone returning safely after a summer filled with adventure and now feeling refreshed, excited and ready for the year ahead.

We are delighted to welcome back our returning pupils and families and extend a special welcome to those who are joining our school community for the first time.

A new school year brings new opportunities, new friendships and new challenges. Whether you are joining us for the first time or returning to continue your journey with us, we want every pupil to feel happy, valued, supported and inspired to achieve their very best. We are excited about the journey ahead, looking forward to what is possible and all that our pupils will accomplish.

In our classrooms, we have started to become more familiar and confident with our new routines and spaces and have enjoyed thinking and discussing how we want it to look. We are remembering that every day is an opportunity to learn something new, try our best and make a positive difference to those around us. Additionally not be afraid to ask questions, take on new challenges or seek help when needed.

We really are looking forward to another year filled with opportunities and learning.
