

Cowbridge School Newsletter

This week at Cowbridge School ...

Reading remains at the very heart of our curriculum, and this week we were delighted to launch our D.E.A.R. (Drop Everything And Read) initiative for Years 7 to 11. Every Wednesday morning (and on Thursday mornings for our Year 9 students) students in these year groups pause to dedicate time purely to quiet reading. To ensure all students can fully immerse themselves in this valuable time, we ask for your help at home. Please ensure your child packs a reading book in their bag every day so they are always ready to drop everything and read. Developing a consistent reading habit not only strengthens literacy and focus, but also offers a wonderful moment of calm in a busy week. Talking to your child about what they are reading is equally important; we all have a role to play in ensuring that reading is central to personal and educational development.

Looking ahead to the weekend, we are please that Cowbridge School

is one of the venues hosting an event as part of Cowbridge Music Festival. On Sunday, 20 September, the Cowbridge Music Festival will be holding its Family Concert in the School's Main Hall. Featuring Lenny Sayers and friends, this interactive performance promises to be an engaging and inspiring morning of music for all ages. For more details on the Family Concert, as well as other performances taking place across the town, please visit <https://cowbridgemusicfestival.co.uk/concerts-2026/>.

Have a lovely weekend!
