

# Cowbridge School Newsletter

## This week at Cowbridge School ...

As we reach the end of another vibrant week at Cowbridge School, it has been a delight to see our students engaging so enthusiastically with the wide range of opportunities available to them both inside and outside the classroom.

Following the excitement of our recent Freshers' Fair, this week saw our extracurricular clubs launch into full swing. The vibrant atmosphere across the school has been palpable as students stepped into their chosen activities, many for the first time, this term. From the creative energy in music, film, and language sessions to the strategic thinking on display in debate and chess, it has been wonderful to witness such diverse interests being pursued. Our sports teams and clubs have also seen fantastic turnouts, with pupils demonstrating great teamwork and enthusiasm. Whether students were attending the clubs they

eagerly signed up for or simply dropping in to sample something new, the determination to get involved and try new things has been joy to see.

We were also pleased to welcome Year 10 and Year 11 parents and carers to our GCSE Skills Information Event. Thank you to everyone who attended; supporting our students through this key transition is a priority, and we hope the evening provided clear and practical guidance. We will be sharing all of the resources from the evening soon so that those who could not attend can still gain an understanding of what we are working towards. Remember, Friday and Monday are INSET days so we will see students back in school on Tuesday.

*Have a lovely weekend!*
