Cowbridge Lower School Newsletter

23.10.26

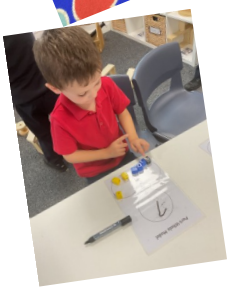

This week we have been exploring the value of thankfulness and thinking about what it means to be grateful. Pupils have been encouraged to recognise and appreciate the many things that make our lives special, from the love and support of our families and friends, the commitment and dedication of the school staff who help us to learn, play and grow together, to the care from the wider community who help to look after us and keep us safe.

In our classrooms….

Nursery have been giving thanks for all things brown and orange. They have made pumpkin paintings, pumpkin soup and even enjoyed a fabulous orange and brown celebration playing orange and brown games and eating orange and brown snacks.

Reception have been learning that thankfulness is not just about saying "diolch" but also showing our gratitude through words and actions. They discussed and recorded the many different ways our hands can show kindness and how this might make people feel.

Year 1 enjoyed a super human afternoon with their families partaking in missions to decide just how superhuman they were. They faced challenges ranging from the physical to the literary daring to stretch their abilities and determine just how super human they were!

Year 2 enlisted the support of their families to help their understanding of how do they know they are alive? The afternoon was filled with brain making, sorting foods, heart rate challenges and comparing apples and humans!

Year 3's quest to understand how they will survive saw them collecting data on heart rates, making connections with physical abilities and body measurements. Also choosing what they would need to take to survive a trip in the wilderness.

Sincerest thanks to all our families who were able to support our pupils on this afternoon of exploration.

It has been a wonderful half term filled with learning and many special moments and we are incredibly proud of all that the children have achieved. We hope you enjoy a restful and happy holiday together . We look forward to welcoming everyone back for an exciting and festive term of learning and discovery.
