

Cowbridge Lower School Newsletter

12.9.25

Our value this week has been bravery and we certainly have been brave in Lower School. We have all shown great maturity and independence at our new morning routine and what a difference it has made! Pupils are coming in quickly, calmly and ready to engage in learning straight away. We know it has been a big adjustment for everyone and thank you all for help and support in making this a success.

Our topics have also started with great enthusiasm ...

Nursery and Reception have started their topics "Community & Belonging" by thinking about birthdays. Nursery have found out when their birthdays are and discussed things we would do at a birthday party. Reception have planned a birthday party-making biscuits, cards, hats and pictures. They have also been thinking about the question "Who looks after us?"

Year 1 have launched straight into their "Superheroes" topic. They have been on a Superheroes and villains hunt around Lower School, planned their new Superhero role play area, discussed their favourite superheroes and the qualities which make a superhero. They have also been using their superhero skills practising their counting.

Year 2 have been thinking about their writing skills and how using punctuation and adjectives really do make a difference! They have been reinforcing their place value skills and practising asking questions in Welsh! They have started the very important topic, "Human Survival" with a discussion about what they may already know and what they would like to find out.

To end the week, we had a fabulous Lower School birthday celebration for Roald Dahl. He would have been 109 years old tomorrow! We have all enjoyed reading some of this famous Welsh author's stories and celebrating his creative skills....what better inspiration for our own writing could we wish for?
